OVERVIEW OF THE DAMAGE BROUGHT ON BY TYPHOON MARING IN LA TRINIDAD, BENGUET

Last October 12- 13, 2021, Typhoon Maring, have devastated the Northern part of the Luzon. The Municipality of La Trinidad was not spared by the typhoon. Due to the heavy rainfall, the municipality experienced landslide in many barangays. Many main roads were closed due to flow of debris and massive landslides.

The valley was flooded including the strawberry fields. The areas affected by the flood were largely the agricultural areas, for strawberries and vegetables, and residential areas.

The La Trinidad Agricultural Office forecasted that 34 hectares' agriculture land, including the strawberry Farm was affected by Typhoon Maring in the whole of La Trinidad.

During the gathering of the report, the damage of the Typhoon has also hit most of other other municipalities in Benguet largely affecting farm lands.

DISASTER-RESPONSE INITIATIVES

With the reports of the devastation brought on by Typhoon Maring, the Benita and Catalino Yap Foundation (BCYF), through Dr. Cynthia Lopez, has coordinated with the Cordillera Career Development College (CCDC) for a disaster-relief response activity for affected families. This was highly welcomed by CCDC through its President, Sherry Junette Tagle, who organized a team for the endeavor.

The BCYF through its Chairman Antonio Yap, has coordinated with the Pilipinas Shell Foundation, Inc (PSFI) and referred the Situational Report prepared by CCDC to PSFI.

By November 4, CCDC received 35 sacks (50kgs per sack) and last Nov. 16, 2021, 800 packs of assorted vegetable seeds. Additional 3 sacks (50 kgs each) was given by CCDC.

This was distributed to 395 families from the following areas: a) Poblacion, La Trinidad; b) strawberry fields farmers; c) Poblacion, Bakun; d) Brgy Ambiong; e) Brgy Beckel; f) Brgy Bineng; f) Our Farmers Haven; g) Shell Partner agencies.
